Steve served at the 20th preventive med unit on Long Binh shortly after I left 9th Med. He is a civilian director of CHPPM. Despite his busy schedule, Steve prepared a special presentation for us and flew down just to be there for Saturday night. This guy deserves a special vote of thanks.

Mr. Hall and his associates had prepared a unique "period" music presentation for us, but because we ran late, they were unable to present the entire program.

SPECIAL

Mrs. Mary Richardson

Mrs. Richardson produced name tags, printed agendas, arranged for the group photo, and just put up with me through all the chaos.
